The villa Horizon is characterised by its brilliant white facade, natural stone features and infinity pool sitting atop the highest point of Altea Hills. The villa is built over various levels, giving a split-level feeling with high ceilings and the breathtaking view is never out of sight!
The property offers 3 bedrooms, all with en-suite facilities, generous wardrobe space and balconies to the front, with external access to the 'chill out' roof solarium, which will also be accessed by an internal elevator.
On the main floor of the villa is the living room with high ceilings, feature stone central fireplace dividing the dining area and fully-fitted kitchen with high-end appliances. Also on this level is the large Master suite, which has large windows providing amazing views, a dressing area and an open en-suite bathroom. We also have a guest cloakroom on this floor.
The basement level of the villa will house a guest apartment with a large bedroom, bathroom and fitted wardrobes. A kitchen is also planned to be fitted, together with a utility room and living area.
