Newly built villa with seaview for sale in Benissa. This villa is just finished and this ready to enter to live, including the garden. You enter the plot by an electric portal and arrive at the garage of 23m², also in this level is the laundry room. An interior staircase leads to the main part, with a spacious living room, dining room and open kitchen. From the lounge you access, by large sliding glass doors, to the heated pool and the terraces. On this floor there are 2 bedrooms and 2 bathrooms, one of them en-suite. On the top floor is the large master suite with bedroom, dressing and bathroom, as well as a large terrace overlooking the sea. The entire house benefits from heating and air conditioning with heat pump and security door and windows. The beach of La Fustera, supermarket and restaurants are 1 km from the house. A property that must be seen!
